Thanks Jim!

I know the Board voted to approve, but do we have a contract, a signed agreement or an MOU?

With Mike's approval, I would like to email Mehmet to inquire. Let me know.

Hugs,

Laurie

Hi Jim,

I recently spoke with Steven Whiddon, and I understand he's not Executive Director anymore of the BID. He told me you all are going to be hiring somebody new soon, and that I should connect with you and them to talk about the two student-research plans that the board approved. UCLA started up this week, so those two students can come in and meet the new Executive Director and plan on how to construct their research assignments.

I just found all of this information out, so if a candidate is selected by the board, it'd be wonderful for me to get in contact with them as soon as possible so that we can keep the ball rolling on the research plans and do right by the students.

Thanks so much,

Mehmet
